foreword

Lured on by the brilliant dawn of a new educational adventure, we, the Class of '55 entered Norwood High School. For three years, occasionally blinded by rather trivial tragedies, and then spurred on by rays of hope, we vied for scholastic, athletic, and social prominence. Now, as we approach the sunset of our high school career, it comes time to reminisce of the shining joy-laden days experienced atop the "Hill".

In this yearbook, the staff of the 1955 Tiot has endeavored to present in an enlightening manner the components of an unforgettable three year tenure, cherished by us all. Since this year, the United States pays homage to the invention of light by the genius, Thomas Edison, the staff of the Tiot joins in this commemoration, as it has adopted the theme of "Light" for this year's edition. Thus, in future years we sincerely hope that this yearbook will rekindle the glow of memories of your beloved and happy youth at Norwood High. "And count their youthful follies o'er, till memory lends her light no more."

dedication

The splendour of the graceful lady of light who stands in the harbor of our largest city, has long been a significant symbol for millions of freedom-loving individuals. Her radiance has not been dimmed by war, by malice, or by intolerance. Her resplendent figure has for centuries guided the homeless to a land of glowing opportunity and happiness. Today, she stands there as majestic and glorious as ever, her arm never weary of lifting on high that torch, as an emblem of hope to Americans and to all freedom-seeking people from the four corners of the world. In tribute to this magnificent and symbolic figure, to the guiding light of millions, the Statue of Liberty, this 1955 edition of Tiot is hereby dedicated.

"Give me your tired, your poor
Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore.
Send these, the homeless, tempest-tost to me.
I lift my lamp beside the golden door!"

CHRISTIAN A. HERTER
GOVERNOR

THE COMMONWEALTH OF MASSACHUSETTS
EXECUTIVE DEPARTMENT
STATE HOUSE, BOSTON

To the Class of 1955, Norwood High School:

It is a pleasure for me, through the courtesy of the Tiot, to send this brief message to the Senior Class.

I have a great deal of faith in the young people of today. You are alert and intelligent and your feet are on the ground. Your sense of values is sound.

You are fortunate in being a part of a generation which is going to see tremendous changes during your lifetime. You will benefit by the peacetime uses of atomic energy which are going to make profound differences in the lives of every citizen. You are living in an age in which our knowledge of many other scientific matters is being rapidly improved in major respects.

Moreover, you are living in one of the parts of Massachusetts which is undergoing important expansion and development, with the prospect of greatly increased opportunities for its inhabitants.

It is my conviction that you are entitled to look to the future with the same confidence in yourselves that I have in you.

With my warmest personal regards.

Sincerely,

Christian A. Herter

peace on earth

history - sophomore year

'Twas in the foll of '52 we landed on the Hill,
With many bright ideas which we intended to fulfill.
As lowly Sophs we took our place among the classes there,
And as the year went quickly by we proved our worth so rare.
I'll tell you of the feats performed so you can understand
Why even back three years ago we think our class was grand.

In October we chose, with great discrimination, those who were to guide us through the year: Kenneth Worster, president; Marcia Pelletier, vice-president; Susan Whittlesley, secretary; Anna Bilotta and Ronald Cieri, treasurers; and Carmelia Pungitore and Domenic Renzi, A.A. representatives.

Despite elections, classes, mountains of homework, corridor flirtations, and football games, we still had time to plan the annual Sophomore Party. Our ambitious assemblage of "Sophs" pitched in and formed the necessary committees for our social debut. On the eve of October 24th, the gym was gaily decorated and the refreshments ready. Daniel Chisholm, Lorraine Cavanaugh, Gail Riley, Eleanor Worster, Richard Mercier, Helene Marcoux, June Compardy and Marcia Pelletier were our star entertainers. When eleven o'clock rolled around, everyone departed with a remembrance of a wonderful evening.

Next we showed our talents and willingness to work when we presented our Christmas Pageant. Marion Ostergren and Earl Berglund were outstanding as the Virgin Mary and Saint Joseph. The colorful scenes, lovely costumes and beautiful music will be a goal for other classes to try to equal.

Among our promising athletes who excelled in football, baseball, hockey, and basketball were Joseph Costello, Robert Ristom, Domenic Renzi, Michael Graney, James Phelan, John Eppich, Kenneth Worster, Ronald Cieri, Robert McGloin and Brian Dunn. Marcia Pelletier was elected as the Sophomore to represent our class on the cheering squad of our Junior year.

history - junior year

And now our second year rolled round, and we were Juniors proud,
As we returned as middlemen, with cheers both long and loud.
Experience had taught us much, had lent us savoir faire.
We joined in every sport and club; we passed up not one dare.
So you may learn what strides we took, I'll here and now relate
The saga of our second year, which proves we were first rate.

In the fall of '53 we chose as our Junior leaders: Brian Dunn, president; Marcia Pelletier, vice-president; Marion Ostergren, secretary; Joan Thomas and Ronald Cieri, treasurers; and Dorothy Sutherland and Phillip Costello, A.A. Representatives. We were off to a wonderful start for our second year in high school.

Row II: Costello, Cieri, Pelletier.

The spirited Class of '55 cheered lustily for their up-and-coming gridiron stars, Joseph Costello, Domenic Renzi, Brian Dunn, Robert Ristom, Tommy Mackie, John Eppich and Ronald Cieri, who aided the Seniors in another Thanksgiving victory over Dedham. Vigorously we supported the basketball, hockey and baseball teams as our classmates established their worth as athletes.

On February 19th, under the guidance of our able head adviser, Mr. Learnard, our gym was transformed from girders and basketball hoops to a French cafe' and night club scene, for which our theme song was "Under Paris Skies". The decorations, orchestra and our inimitable class spirit made the Junior Prom one of the most beautiful and memorable ever held on the "Hill."

Charles McNamee was awarded the Harvard Book, which is given to the most outstanding and deserving Junior Boy. Brian Dunn, Charles Weisul and Gary Brown were chosen to represent Norwood High at Boys' State, while Claire Stepanowich was selected to attend Girls' State. We were proud of them all.

Come June, we planned a reception for the graduating Seniors, with whom we had shared two fun-packed years. We hated to see them leave, but we impatiently looked beyond this parting to our own year as "kings" at N.H.S. We were ready to ascend to the top of the ladder.

history - senior year

Our year of years arrived at last and we were at the top.
We ruled the roost, we reigned on high, we took life on the hop.
Our Senior Play, our musical, our prom, and all sports, too,
Were better than in other years, we know this to be true.
So now my friends, life Romans old, to me do lend your ears
As I, in recollection fond, tell of this best of years.

At the outset of our Senior year we elected those whom we thought worthy to lead us in this important year. They were Brian Dunn, president; Arlene Blais, vice-president; Marion Ostergren, secretary; Joan Thomas and Ronald Cieri, treasurers; and Harriet Greenlaw and Phillip Costello, A.A. representatives.

Our football team, sparked by numerous athletes of our class, was a credit to the school with six victories and one defeat. Our cheerleaders Marcia Pelletier, captain, Dorothy Sutherland, Marion Ostergren, June Compardy, Aurora Cordo, Harriet Greenlaw, and Emilie Sullivan energetically supported our teams and won the praise of many for their fine spirit.

On January 17, 1955 another "Oscar" was earned by our leading lady, Helene Marcoux, when we presented the Senior Play, "We Shook the Family Tree." Other members of the cast who deserve a hand of applause are John Chervokas, Joyce Maxon, Robert Hertel, Stephen Oppenheim, Robert Bowler, Patricia Fogarty and Betsy Guilderson. A new arena-

type stage was enthusiastically received by everyone and the Class of '55 again proved its ingenuity and originality.

James Campbell and Robert McGloin were captains of our basketball team, and the latter along with James Phelan represented Norwood on the Bay State League All-Star Team.

Our hustling hockey team, captained by Richard Walker, captured first place in the second division, setting a new record for N.H.S. hockey. Michael Graney tied for first place as high scorer of the Bay State League and was chosen for the All-Star team with Captain Walker.

On April 15th we presented "The Count and The Coed", our Senior Musicale par excellence. Carmelia Pungitore, Paul Charron, Florence Pulcini, John Chervokas, Lorraine Cavanaugh, Eleanor Worster, William Donovan, John Walsh, and Daniel Chisholm were the reasons for its great success. Mr. Flaherty coached the musicale, and the scenes, music, and costumes were enchanting and delightful.

May 13th finally rolled around, an evening long anticipated by all. The gym was beautifully decorated, the orchestra was excellent, and everyone was happy and gay at our Senior Prom. The exciting evening of our most outstanding social event will never be forgotten.

A special word of praise goes to Joseph Costello, our Student Council President, who expertly wielded the gavel under the direction of Miss Hubbard.

We cannot close without a note of appreciation to be extended to Mr. Hayden, our patient principal, to all our teachers, and to Miss Johngren, our head adviser, and Mrs. Riley and her staff, who have made possible the wonderful pictorial memoir of our three years at Norwood High School.

At last we have reached the end of our years on "The Hill". Our Class Day activities, the banquet, receiving and signing yearbooks, and graduation itself are events we will never forget. Although we will miss our friends and teachers who have become so dear to us, we feel we are ready to face the future and its challenges.

Peabody is a Pleasant Place

a star in our crown

Henry O. Peabody, the founder of the Henry O. Peabody School for Girls, was a resident of the town of Westwood, but his home estate, known as the King Gay Farm, extended into the town of Norwood. Mr. Peabody died in 1903, and under his will the bulk of his estate was left to a Board of Trustees for the founding of a vocational school for girls.

After careful study of the various proposals for the use of this money, extended negotiations with the town of Norwood, and necessary authorization by the Probate Court, an arrangement was entered into whereby it was agreed to erect and equip a suitable building for the Henry O. Peabody School for Girls, with the understanding that the net income of the fund would be available to the town of Norwood for the support of this school. The Massachusetts Department of Education, Vocational Division, under the several State and Federal acts covering this field of training, set-up standards which must be maintained to their satisfaction.

The Henry O. Peabody School for Girls is unique in the field of career training. In the words of its chief benefactor for whom the school is named, "It is so established and endowed as to furnish the best possible instruction and advantages to the girls attending it —at the least possible expense to the scholars." Its endowment enables it to offer the highest professional standards of intensive training for careers to meet the individual needs of each girl enrolled. It is tuition-free because it is also supported by local and federal funds, under the supervision of the Norwood School Committee. Its facilities and equipment are second to none in New England. Mr. Peabody's will also specified that the purpose of the school is to teach "the various branches of art, science, and industry best calculated to enable the scholars to acquire an independent livelihood." It is almost a modern miracle that Henry O. Peabody, at the time of his death in 1903, could have had any way of knowing the important part that women were to play in day-by-day living a half-century later.

The school, colonial in architecture, opened its doors in September, 1942. It adjoins the Norwood Senior High School. The school maintains a professional group of study areas more like clinics than classrooms. In addition to its own physical plant, it has access to the Senior High School buildings and gymnasium, assembly hall, library, and recreational facilities.

The four main courses of study leading to careers are: *Beauty Culture; Business; Commercial Foods; Fashion and Apparel Trades.*

The Peabody School is a regional school, serving all towns within reach of its facilities. The training is free to the individual student and to the towns; the cost is low and one-half reimbursable from State funds.

FOODS

Employer demands have increased enrollment in the commercial foods field. All students find an outlet for their talents in the various food areas as caterers, chefs, tea room assistants, pastry cooks, bakers and restaurant helpers.

TEA ROOM

The niceties of tea room operation both behind the scenes and before the public eye are learned thoroughly under competent direction. The tea room itself is most attractive and the clientele very appreciative. About 40-45 people are served each day.

ART

Craft and creative ability are correlated in each trade through the skillful application of art and its many facets. Appreciation of commercial artistry so far as it applies to each trade is given careful consideration. The department acts as a hub in the wheel of activities by helping to blend student and classroom activities into an artistic setup.

BUSINESS

Interesting careers as secretaries, stenographers, file clerks, machine operators, typists and general office clerks are assured the girls who receive training in the modern, up-to-date stenographic and machines departments of our school.

BEAUTY

The career of stylist, shop operator or owner, facial specialist, or manicurist are just a few of the job opportunities possible for the beauty specialist. Those taking the state board examination have consistently maintained high standards of performance.

FASHIONS

For the student who has selected the fashion field, many avenues of work are possible: designing, tailoring, working in private establishments or retail stores —any one of these are possible after receiving training in the fashions field.

peabody had a splendid year

We began our year's activities with the school picnic in September, which was held at Rocky Woods Reservation in Medfield. The gala events of the day included boat riding, games, dancing, hikes, and the traditional cookout.

Amid posters, campaigning, and speeches, we entered the second month of School. Elections were held, and our Student Co-operative Association Officers were chosen.

After getting fully acquainted with our school, classmates, and teachers, we decided our parents should have a chance to see our school in operation on Parents' Night. A one-act play was performed by members of the Junior Class, and our Peabody Glee Club, under the direction of Mr. Fleck, sang three songs, and after that refreshments were enjoyed.

During the last part of November, the junior boys of the Foods Department were busy preparing our Annual Thanksgiving Dinner, while the month of December was spent in elaborate preparations for Christmas. Decorations appeared; contributions were donated for the Annual Christmas Sale, and plans were made for the presentation of the Christmas Opera, "Amahl and the Night Visitors." To end our Christmas festivities, we were served a turkey banquet by the teachers.

January ushered in our White Elephant Sale. Again the building was attractively decorated by the Art Department. Items were donated by the students and faculty, with all articles, regardless of value, being sold and a good profit realized.

Winter provided an excellent opportunity for our February affair. Again the school headed for Rocky Woods, this time for a skating party, as guests of the newly-formed Boys' Association.

In April, social activities were resumed with the Annual Student Co-operative Association Dance. For the theme, "Parisian Gardens" was chosen, and was accentuated by appropriate decorations and refreshments.

The Juniors paid due respect to their upperclassmates during June when they held the Step Party for the Seniors. Although this was a very enjoyable occasion, we couldn't help but feel sad at the thought of leaving our teachers and friends, to travel paths which might never cross again. With us, we took memories that can never be erased or replaced.

they play the searchlight

Upon the shoulders of the Press Club members and its faculty sponsor rests the responsibility of acquainting the public with the news of the Henry O. Peabody School.

In its second year of growth, this club has moved into its own "spot" as a result of the groundwork laid by its first members, and because of the continuing cooperation of its present staff. In its column in the *Norwood Messenger*, the Press Club seeks to maintain an interesting, informative, and representative news column by submitting items pertinent to the activities of individuals, class groups, and faculty members.

The members of the Press Club are Grace Guiod; Mabel Sherman; Jean Hutchinson; Patricia Elliott; Gail Conroy; Nancy McDargh; Mary Diamond; Katherine DeGazio; Betty Johnson; Carol Fennessey; Judith Watts.

Three Men and a Saw

Let The Chips Fall Where They May

"I shall prepare myself for my opportunity shall surely come"

Vocational Education is that type of education the primary purpose of which is to train young men for profitable employment in the trades.

Our course is intensive and is arranged to afford the greatest possible return for the time spent in training. By the time a student finishes his course, he will have acquired manipulative skill together with the necessary technical ability.

Our teaching staff has been chosen from among leaders in their respective industrial fields. Therefore, students are assured of an excellent training under a skilled craftsman who has had many years of practical experience, with a technical background sufficient to overcome all problems associated with their trade.

the juniors don't hide their light

In September of 1954, the Class of '56, endowed with the important and respected title of "Juniors", began its second year at Norwood High. With the forecast of a fine and eventful year ahead of us, we elected our Class Officers—President, Coleman Foley; Vice-President, Marjorie Sastavickas; Secretary, Jean Schaier; Girls' Treasurer, Diana Laakso; Boys' Treasurer, Paul Butters; Girls' A.A. Representative, Marilyn Hutchings; and Boys' A.A. Representative, Paul Conley.

On December 22, many of us received the newly-designed class ring of Norwood High. On this occasion we were very proud and happy to be the first class to wear this beautiful new ring which is to be unchanged from now on.

With high spirits and great enthusiasm, we held our Junior Prom on February 11, 1955. The theme of the Prom, "Moonlight Serenade", was colorfully depicted by the lovely decorations; the music was "out-of-this world", and everyone had a wonderful time.

Our last major accomplishment of the year was the holding of Class Day for the Seniors, after which we began dreaming of the coming year when we would officially be the "big wheels", "the V.I.P.'s", at Norwood High School.

the sophomores see the light

September the eighth, day of days! At last we entered the sacred portrals of the Norwood Senior High School. The first day of school was spent in a state of great confusion; we were given wrong directions and then laughed at.

Eventually, however, we began to feel quite at home on the hill and we learned to love it. We elected as class officers the following: Thomas Connolly, President; Evelyn Angus, Vice-President; Joan Butters, Secretary; Lois King, Girls' Treasurer; Robert Padden, Boys' Treasurer; Leslie Novick, Girls' A.A. Representative; and Neil Fitzgibbons, Boys' A.A. Representative.

Our most outstanding event of the year, the Sophomore Party, turned out to be very successful. Songs sung by Matthew Ross, and accordion selections by Eleanor Lorusso and Francis Nado were greatly enjoyed by everyone.

For our sophomore assembly at Christmas, we presented "Yule-Tide in Many Lands." This consisted of Bible readings, songs in Latin, French, Spanish, and German, and stories of Christmas customs in various lands, which gave us all an opportunity to know how others celebrated Christmas.

Having survived our hardest year, we are looking forward with great anticipation to our next two years at Norwood High.

our student council sparkles

The 1954-55 Student Council, under the leadership of Joseph Costello, President; John Theall, Vice-President: Nancy Sansone, Recording Secretary; Barbara Pierce, Corresponding Secretary; Lorraine Cavanaugh, Treasurer; and an Executive Board composed of Marcia Pelletier, Chairman; Anna Bilotta, Marion Ostergren, Michael Graney, Timothy Lynch, and Coleman Foley, has had a most successful and prosperous year.

The Autumn Frolic, the Annual Student Council Dance, was held on November 11, 1954. The newly-painted gym was attractively decorated in the traditional autumnal colors and the dance was a great success.

This year Lorraine Cavanaugh, Barbara Pierce, John Theall, and Timothy Lynch were sent as delegates to the Fall Conference of the Eastern Massachusetts Division of Student Councils at Randolph.

The Council formed a Ways and Means Committee which discussed some of the worthwhile ways in which the Council might spend some money.

One of the outstanding projects of the year, that of revising the Student handbook was completed, and the new handbooks will be ready for distribution in the Fall.

On April 2, 1955, the Spring Conference of the South Eastern Massachusetts Division of Student Councils was held at Norwood High. This was a new experience for the Council, as it was the first time a Conference of this type had ever been held at Norwood. Forty-five schools were represented.

As one of the projects for next year, the Council is considering the sponsoring of a foreign exchange student. Our Principal, Mr. Hayden, is looking into the matter.

The Council would like to express its gratitude to Miss Mary Hubbard, faculty adviser, for her guidance and interest in the Council; to Mr. Charles Hayden, for his co-operation; and to all those who were concerned in any way with the Student Council.

the light that never was

With spy-glasses and disguised in innocence, the members of the Football Program Committee searched out clues in the fall in order to write up for the enjoyment of the student body all that was new and interesting on the Hill.

Training for these sleuths was almost as rigorous as it was for the football squad, and often gave just as much of a thrill to the game spectators. In fact, for many readers, the official line-ups took a back seat as far as interest went.

This information bureau of "Who's What" never received a reward for all the romantic mysteries they solved, and the incipient romances they aided, but as emulators of Sherlock Holmes they found reward enough in knowing that their productions were anticipated and enjoyed with keen delight. It was great fun! L.M.C. '55

they flash a mean bulb

The Photography Club, under the direction of Mr. John A. Sullivan, has spent a very interesting year.

During the year the club sponsors a contest every month. These contests are judged by Mr. Learnard for technical details, by Mr. Schultz for artistic arrangement, and by Miss Ryan for human interest. The first five places in these contests receive a certain number of points. At the end of the year the student with the largest number of points receives a cash award.

The officers of this club are John Paine, president; Thomas Connolly, vice-president in-charge-of the darkroom; Robert Cushman, treasurer; Reeven Ziskind, vice-president in-charge-of the bulletin board; and Pat Fogarty, secretary.

Many films have been viewed by the club. The films take up such subjects as developing and printing techniques, filters, portraits, lenses and other such matters. All members feel that the club has made great progress this year. J.P. '55

hilltop highlighters

In order to acquaint the townspeople and other interested persons with the accomplishments of the students of Norwood High School and the athletic, social, and academic events taking place "on the hill", a small group of students interested in journalism act as reporters for the two local newspapers and the school columns of several Boston papers. Known as the Hilltop Highlighters, these students seek out, compose, edit, and type the news, which is then dispatched to the newspaper offices.

Eleanor Stitt, Janice Young, Nancy Sansone, Ronald Cola, Eileen Connolly and Anna Bilotta have been members this year. Mr. John J. Flaherty is the faculty adviser.

f.t.a. members shed a little light

When, last fall, we added a third seal to our charter, indicating we were entering our third year as members of a Future Teachers of America Club, we began to feel like veterans in the work.

Officers this year are Josephine Chitty, president; Nancy Sansone, vice-president; Virginia Peachey, secretary; Charlotte Gustafson, treasurer; Agnes Puopolo, librarian; Helene Marcoux, reporter.

The activities of previous years have been continued and several new ones have been added. Preceding Education Week, we made colorful posters encouraging parents to visit the schools, and distributed them throughout the town. In November, we arranged for a speaker at one of our weekly assemblies, who talked about teaching as a profession and its attractiveness as a choice of vocation.

A new group of members were taught to keep registers and now make the monthly reports unaided; and for the first time we have a bulletin board.

Our librarian has secured catalogs of many colleges for the use of our members. These, together with our "Personal Growth" leaflets and other FTA literature, are kept in our special section of the school library.

Before Christmas we ran an auction. Articles were contributed — many from foreign lands. This proved to be one of the most popular and most enjoyable functions of the school year, and brought the sum of $35.00 into our treasury.

Our most important activity this year is providing short items for each issue of the local paper. Each article is boxed, and appears on the editorial page of the paper. It is signed "The Future Teachers of America". These items inform the public about school matters and about the problems confronting the educational system at the moment. We are most grateful to the Norwood Messenger for its co-operation in publishing these articles.

this club serves to enlighten our class

The Projection Club is composed of boys from the Sophomore, Junior, and Senior classes at Norwood High School. The members of this club are under the capable leadership of Mr. Learnard, who is director of Visual Education at Norwood High. The aim of the Projection Club is to show films, which will be both educational and interesting, to the students. We hope that we have attained our goal and, that in the years to come, other members will carry on and enjoy this work because Visual Education is making a substantial contribution to students' understanding of world conditions and events. the assembly committee makes friday bright

The Assembly Committee is responsible for the assembly programs we have on Fridays. Mr. Martin O'Donnell is the faculty adviser of the committee, and Barbara Bateman and Daniel Chisholm were elected co-chairmen. Valerie King was elected secretary and Coleman Foley, treasurer. The Junior members are Meredith Marsh, Diane Strout, Dorcas Boardman, Elaine Johnson, Diana Laakso, Nancy Sansone, Marie Doyle, Valerie King, Bruce King, and Coleman Foley. The Senior members are Marcia Pelletier, Dennis Folan, John Chervokas, Theresa Fournier, Margaret Folan, Daniel Chisholm, and Barbara Bateman. The Peabody School representative is Gail Conroy.

We have been very fortunate to have had this year many widely diversified programs. We've had science programs, like General Motors Assembly; we've had musical programs, like the Sophomore Pageant; and we've had three foreign students, "teen-age" participants in the Exchange Student Program. Everyone looks forward to Fridays when we make our way to the gym to see what the newest efforts of the Assembly Committee will be.

sidelights on the election commission

The Election Commission consists of ten students who are selected from the Sophomore, Junior and Senior Classes by the Student Council. The work of this group is closely associated with the Student Council, as officers of the Council assist the Commission when help is needed.

The function of this group is to supervise all school elections, and to assume responsibility for efficient and honest elections. The Commission sets the dates, receives nominations, supervises the balloting and the counting of all votes which have been cast, and publishes the results of all elections on the bulletin boards.

Any member of the Election Commission who is a candidate for an office absents himself from its activities until that election has been decided. The Chairman is the Senior member who has served the longest term on the board. The members of this year's Election Commission are:

Co-Chairmen: Sheila McGuff, Ronald Cieri, Marcia Pelletier, Helene Marcoux, Lorraine Cavanaugh, Barbara Pierce, Diana Laakso, Lousie Berglund, John Anderson, Thomas Connolly.

our orchestra positively glows

The custom of having the orchestra play a processional, our School Song, the National Anthem and a recessional at our weekly assemblies was revived this year. This added activity gave us a chance to add several good numbers to our repertoire. At our Senior Play we performed several numbers between each act as usual. The orchestra also played for the Ladies' Night meeting of the Norwood Chamber of Commerce in April, when the top three essayists of Norwood High read their works. The High School Band and Orchestra shared a concert at the annual Band Orchestra on Family Night which brought much comment about the excellent musicianship and effectiveness of both groups. Our Spring Concert, held in the Junior High School Gymnasium, was a noteworthy performance enjoyed by the orchestra as much as the audience. This year we were very proud to have three of our members chosen to play at the Massachusetts All-State Concert Festival held late in February. We had not had this honor for several years, but our director, Mr. Fleck, plans to do as much next year with the interested group which he will have. A.S. '55

the high school band scintillates

The Band activities began when the football season started. They played at every game, and when the team was victorious marched through the town center to celebrate. Our N.H.S. Band, the Majorettes, and Cheerleaders presented a rally before Thanksgiving Day.

After the football games ended, the members of the Band, under the able direction of Mr. Farnham, began to study concert music. In addition to playing at assemblies, they presented their own assembly of concert music.

Every year the members have a Family Night, an evening for the parents to attend rehearsals and to hear their daughters and sons play, after which refreshments and dancing follow.

A tag day drive is conducted annually in order to collect funds for new instruments, uniforms, and trip expenses. Another interesting event which everyone enjoys is the Exchange Concert. Norwood invites the band of another community to our town, when everyone meets new friends, delicious refreshments are served, and then a concert is presented to the public. Later the favor is returned.

Our School Band and Majorettes take part in the yearly Armistice Day and Memorial Day parades. Other activities include going to Music Festivals, the Central Massachusetts Festival and another held at Mansfield. Last year we were proud to have the South Eastern Massachusetts Festival in our own town!

To bring the band season to a conclusion, last year they went to Hampton Beach, New Hampshire, where they presented a brief concert, went sightseeing, and visited Benson's Wild Animal Farm. M.S. '56

traffic lights, here we come

This is the seventh year of Driver Education and Training at Norwood High School.

The average yearly output of trained drivers has been 130. The Massachusetts Registry of Motor Vehicles trains the instructors and assists the school authorities in any way it can in starting and carrying on the course of training for the students.

This course includes fifteen hours of classroom instruction, five hours of observation in road training, and five hours of actual experience at the wheel.

The instructor then issues a certificate to those students who have completed both phases of the program. This entitles the certificate holder or his parent to a lower rate of insurance than he would otherwise be required to pay. This reduction amounts to about $15.00. Mr. Fisher calculates that if two out of three certificate holders are benefiting by this reduction, the yearly saving to certificate holders or their parents in Norwood would amount to $9,000 or more under the present system.

In analizing the effectiveness of the program, the instructor feels that when a student has completed the work, he can drive safely and successfully if he really wants to do so.

We are Proud of Our Driver Education Program

we shone in football

The best football squad produced under the reign of Coach Andy Scafati eked out a slim 8-7 victory over Needham in the season opener. A Needham safety with minutes remaining saved the Blue and and White from a heartbreaking defeat.

The Hilltoppers, romped over the hosts 32-12 in the next grid contest. The features of this impressive win were an 80 yard gallop by Brian Dunn and a touchdown run by that midget among mammoths, Ronnie Cieri.

Milton offered little resistance to powerful Norwood as the Scafatimen, led by Renzi and his three touchdowns, mauled the hosts, 27-0.

Renzi, along with signal-caller Mike Graney, led the local gridsters to their fourth consecutive triumph over Braintree.

The highly-controversial Wellesley walk-out occurred on the following Saturday. Billed as the "game of the year" the much-discussed incident even caused a temporary suspension of athletic relations between the two schools.

The rugged Norwood line led by the Costello brothers and Johnny Eppich stopped Reading and Tom Murray with a 27-7 defeat.

It was a gloomy Saturday when an amazing junior-laden Natick squad whipped Norwood to the ominous tune of 38-19.

The annual clash with Dedham, postponed from its traditional Thanksgiving date to the next Saturday, was hardly a contest. Many local records fell as Norwood beat the Redmen for the fourth consecutive season. Twenty-two seniors played an important role in the overwhelming 34-14 victory.

Since their were so many seniors on the team it was decided to have various athletes as captains for the different encounters. The Norwood squad of 1954 was honored by having two of its outstanding players, Joe Costello and Brian Dunn, selected to play on the Boston Suburban All-Star team. J.V.C. '55

coruscation on the court

The Norwood High hoopsters' record impressed Bay State League fans this year because of the trouble they gave the league powerhouses of Framingham, Natick, and Milton.

The Scafatimen won the opener against Needham 54-48 with McGloin and Campbell leading the scoring.

Natick and Framingham both toppled the localites despite fine work by Czyryca, McGloin, Campbell and Phelan.

Against Wellesley, Czyryca scored 20 points but victory eluded us.

A heart-breaking defeat was suffered in a sudden-death overtime with Milton 70-67.

Although crushed by the Redmen of Dedham, the local five rebounded with a 62-48 win over Walpole, with Jim Campbell leading the scoring parade. Needham edged them 55-54, however.

The jinx hit again when Natick dumped over "Christian Hill" lads 67-62. John Cazzero threw 18 points.

Norwood's potential finally burst out in a 66-58 win over Wellesley, with the win notched, thanks to Worster and Phelan. Milton squeaked by in spite of our first half lead.

The highlight of the season came when Phelan hooped 31 points against Walpole. In the season's finale, Jim Campbell's 18 point performance went for naught as Dedham romped in the season's finale. J.V.C. '55

oh, how cool these skaters be

Under the tutelage of Coach "Lennie" Ceglarski, the Norwood High sextet enjoyed their best season in many years, finishing the season in the top slot of the Bay State League Second Division. Thanks to the play of league scoring champ, Mike Graney, the squad captain, Dick Walker, and the junior goalie, Coleman Foley, the team compiled an enviable 4-4-2 record.

The season opened with a 1-1 tie with Watertown. It was a Graney goal late in the third frame that earned the draw as a compensation for the play of netminder Foley. A wide-open offensive battle with Wellesley was won by that arch-nemesis 5-4. Even the "hat trick" by Mr. Graney couldn't merit the victory, as Coleman Foley was injured early in the fray.

The champion Needham six rolled over the Norwoodites 6-2 with two juniors, Dave Alty and Ted Maher creasing the nets. Norwood was then barely edged by their skating cousins from Walpole 2-1. It was Mike Graney who tallied the lone goal on a beautifully executed penalty shot. With Ralph Wheelden, the Most Valuable Player of the BSL in the nets, Waltham edged the victory-hungry locals 2-1. Living up to their well-founded nickname of "ninth minute wonders", the Ceglarskimen pulled the B.C. encounter out of the fire with thirty seconds left. Dick Walker tallied the decider in this 2-1 first victory.

With goaltender Foley and Junior Mike Kelley sharing the spotlight, the Framingham Flyers had their wings clipped 3-0. Once more B.C. High felt the sting of Norwood's new-found power 5-2. It was Chuck McColgan and Bill Lane who had their day to shine, aiding Graney, who garnered his second three goal performance. Again Mike tallied three against Watertown as the Norwood defense, spearheaded by Bill Connolly, held off Watertown 4-2.

Before an ear-shattering crowd headed by the Norwood Makeshift Band, the Norwood six had to settle for a 2-2 tie with Wellesley in the season finale. However, Graney's two assists tied the total of George Lamber of Needham for the BSL scoring crown.

Thus, a fine season ended with Graney and Walker selected for the Bay State League All-Star aggregation. The late-season spurt by the Ceglarski sextet brought large delegations of Norwood fans streaming to the Boston Arena, and once more hockey was established as a major sport atop the "hill". J.V.C. our own diamond jubilee

A highly-touted Norwood nine was edged in the season's opener by the BSL champion Wellesley squad 4-3. The 14-inning epic will long be remembered by Norwood fans, as will be the spectacular seven inning pitching performance by Bob Brissette. The hitting of Co-captain Bob McGloin sparked the Scafatimen's offensive display.

A surprisingly potent Dedham squad upset the Blue and White to the tune of 7-2. The hitting of Mike Graney went to no avail as the Redmen romped.

The best team effort to date brought Norwood a 12-1 decision over a rugged Walpole nine. Led by Co-captains John Eppich and Mike Graney, the latter of whom poled a long three-run homer, sophomore hurler Peter Wall had little trouble. This contest was marked by the successful strategy of placing Jim Phelan at second and moving the outstanding junior, Ralph Generazo to third.

At this time, with eleven games remaining, Norwood seems to have the potential to prove to be a troublesome ball club in the Bay State League. The outfield comprised of Bob McGloin, Johnny Eppich, Dom Renzi, Artie White, and Russ Czyryca is a solid senior unit. With Tom Mackie at first, Jim Phalen at second, Mike Graney at shortstop, and Ralph Generazo at third, the Hilltoppers present a constant threat. Also available for infield duty are Paul Charron and Dick Cammarata. Behind the plate is the junior stalwart, Tony Auretto. This season Coach Scafati has one of the youngest pitching staffs in quite some time. Bob Brissette, the experienced right hander, is the only senior moundsman. With Frank Michienzi, Peter Wall, Gerry Cloherty, and pitcher-infielder, Ralph Generazo, all returning, prospects are bright for the future.

With the close of this spring sport, the end of the glittering schoolboy career comes to the many seniors on the baseball squad. Whatever the outcome of the 1955 campaign may be, it can be truthfully said, that the graduating class possessed the greatest array of athletic talent at Norwood High since 1927.

class will and testament

We, the Class of Nineteen Hundred and Fifty-five, being of relatively sound mind and reasonably sound body, do hereby declare this to be our last will and testament, bequeathing our most treasured possessions to the most worthy undergraduates.

Article I—To Mr. Hayden we leave our deep appreciation for his unselfish efforts and patience with a class that has more than once been trying.

Article II—To Miss Ryan, our super-efficient Dean of Girls, we leave a lie detector, and a book entitled "How to Detect Forgery in Three Easy Lessons."

Article III—To Mrs. Riley we leave our sincere gratitude for her tireless efforts in helping us to make our yearbook the best ever.

Article IV—To Mr. Kenefick we leave our heartfelt thanks for his guiding hand extended to all.

Article V—To Mr. Learnard we leave a sufficient amount of gray matter to distribute in some of his classes.

Article VI—To Miss Johngren we leave a bottle to "bottle-up" her enthusiasm and pass it on to any needy pupils.

Article VII—The play cast leaves Miss Coleman an unlimited wardrobe to unscramble for next year's players.

Article VIII—To Miss O'Sullivan we leave a page in Vogue, where she'll appear quite at home.

Article IX—To Mr. Fisher we leave a sponge rubber pillow to protect his "aching back" from those "clumsy individuals".

Article X—We leave Mr. O'Donnell the hope that next year's traffic squad will be as capable and efficient as his most recent one. (ahem!)

Article XI—To Miss Connolly we leave our admiration for her unfailing good humor and helpfulness to us during our three year tenure.

Article XII—To Miss Kiley we leave a robot to lead the girls who can't distinguish between left and right.

Article XIII—Miss McGonagle's typing classes leave her a record entitled "I've Got Rhythm".

Article XIV—The Senior Girls regretfully leave Mr. Kelley behind, and we all leave our sincere thanks to Mr. Butler for his years of service "on the hill."

Article XV—To Miss Gow we leave a window box equipped with dry ice to keep her lunches cool.

Article XVI—To Miss Canning we leave a "Serta-Perfect-Sleeper" for her chronic complainers to use in her office.

Article XVII—To Miss Hubbard we leave our thanks and appreciation in recognition of her splendid direction of the Student Council.

Article XVIII—To Miss Steele we leave a fluffy down pillow and a year's supply of Calo Cat Food for "Susie".

Article XIX—To Mr. Fleck and Mr. Flaherty we leave our hearty appreciation for their outstanding direction of our Senior Musicale.

Article XX—To the custodians we leave heated pavements to save their back-breaking labor after a snow storm.

Article XXI—The play cast of '55 leaves with fond memories of "We Shook the Family Tree". We hope the class of '56 gains as much enjoyment from their play as we did.

Article XXII—The football team leaves to next year's players the challenge of our fruitful year.

Article XXIII—Joe Costello, Mike Graney, and Domenic Renzi leave their athletic record to any undergrad who is able to duplicate their success.

Article XXIV—The '55 Cheerleaders leave their charm, pep, and enthusiasm to the hopefuls of '56.

Article XXV—Lorraine Cavanaugh and John Chervokas, our outstanding Co-editors, leave their talents to the future Tioteers to create another superlative yearbook.

Article XXVI—Barbara Bateman leaves her energetic personality to Pauline Thomas, and Steve Oppenheim his big-business flair to Coleman Foley.

Article XXVII—Marcia Pelletier leaves her good looks and popularity to Emily Sullivan, the Captain for '56.

Artcle XXVIII—Anna Bilotta and Hutch Ristom leave their dancing ability to the Fred Astaire and Ginger Rogers of '56.

Artcle XXIX—Virginia Peachey and William Hanscom leave their title "Most Artistic" to any Juniors with their genius.

Article XXX—Aileen Murphy bequeaths her enviable figure to Dianne Laakso, the Junior "slick-chick".

Article XXXI—Claire Stepanowich leaves her scholastic record and dependableness to Nancy Sansone.

Article XXXII—Joan Barrett leaves her style sense to Marilyn Hutchings, an aspiring Junior.

Article XXXIII—Anthony Stitt leaves to seek ceilings unlimited. With his brain he's bound to succeed.

Article XXXIV—Brian Dunn leaves his seat of honor to next year's candidate who can emulate his outstanding capabilities.

Article XXXV—Dennie Folan and Dottie Sutherland leave two leather-bound volumes entitled "The Art of Coquetry" and "How to Woo 'Em and Wow 'Em".

Article XXXVI—Ronald Cola leaves his sartorial splendor to Paul Butters.

Article XXXVII—Marie Carlson and Danny Chisholm, the prophets of '55, leave their sixth sense to any Junior seer thus endowed.

Article XXXVIII—We leave the undergrads with the hope that in the future they will enjoy bubblers that emit Coca-Cola, gum machines lining the corridors, and classroom juke boxes equipped with current hits.

Article XXXIX—We, the Class of "55" leave regretfully our happy years at N. H. S. and hope our achievements will leave "footprints on the sands of time".

In witness thereof, we have hereunto subscribed our names and affixed our seal on this fourteenth day of June, in the Year of Our Lord, Nineteen Hundred and Fifty-Five.

Merci Beaucoup

We wish to take this opportunity to thank the sponsors and advertisers who have helped us to finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
